

Starting Next Fall! Real-Time Classes!

Classes available: Science 30, Bio 30 LS and Physics 30 LS

- **WHO:** Any CFL student that is interested in taking:
 - * Science 30 (Prerequisite is any 20 level Science. A wide range of students take this program. Generally students who wish for a more general 30 level science but is accepted at many post-secondary institutions).
 - * Bio 30 LS
 - * Physics 30 LS
- **WHAT:** A real-time taught class available through CFL. The class is taught live at a high school in our division (Holy Trinity Academy) which is live-fed and recorded through E-live.
- **WHEN:** Fall 2011. Science 30 is a linear class. Bio 30LS is first semester. Physics 30LS is second semester.
- **WHERE:** From the comfort of your usual study space. Enjoy the same flexibility of your CFL classes, with the added bonus of access to live teaching, other high school students and options to participate in hands-on labs at the high school in Okotoks.
- **WHY:** It is fun! It is a new style of learning and a new class. All lessons are live taught and you will have access to the live teacher for each lesson
- You can ask questions as the lessons are being taught and interact with the students and teacher (but students are not required to watch during live feed)
- You can watch the recorded e-live for each and every lesson in the class.
- You can have the option of joining in on real-live labs at Holy Trinity Academy in Okotoks

HOW: Register for Science 30 "Real-Time", Bio 30LS "Real-Time" or Physics 30LS "Real-Time" through CFL

If you have any questions about these new exciting classes, please e-mail Mrs. Real (treal@redeemer.ab.ca) or send Mrs. Real a message on first class.

**See you in the Fall!
Mrs. Real.**
